

SAFETY FIRST!

Keeping Students with Disabilities Safe at Home & In the Community

Hosted in Partnership with Cobb County School District

**Saturday, September 9th
9 am to Noon**

Registration Begins at 8:30 am

Parents of students with disabilities can face unique challenges when it comes to keeping their children safe within the home and in the community. Overcome your concerns and get specialized safety instruction for you and your child at the Cobb County Safety Village. Come visit Sparky's House for fire/kitchen safety, learn about bus, car & train safety, enjoy a puppet show that includes bite prevention and learn other important tips!

Reserve your spot quickly, space is limited. To register, please call 770-529-0046 or go to: www.signup.com/go/qGpAtAZ

SEPT. 9th 2017

CCSD's Special Education Parent Mentors have partnered with the Cobb County Safety Village for this Safety First Event, one of our quarterly Parent University programs for families of students with disabilities. Questions? Call 770-529-0046 to speak with a mentor.
